

The Daily Menu

All of our cupcakes are baked fresh daily. We offer 185+ amazing flavors (the list keeps rising!) and daily our case houses 12 to 20 of those flavors. Much of our flavor availability is subject to seasonal ingredients as well as special requests so we encourage you to stop in and see what special flavors we are featuring each day. By popular demand our case consistently starts the day with trays of Wedding Day White, Classic Vanilla and Classic Chocolate cupcakes.
